16.2 Grievances

Every Member has the right to communicate a grievance to Health Plan by calling the telephone number listed below, by submitting a written grievance to the address indicated below, by submitting a written grievance by facsimile or email, or by completing an online grievance form.

You may submit a formal complaint or an appeal for a denial of a service or denied claims within 180 calendar days of your receipt of an initial determination through our Appeals, Complaints, and Grievances Department. Health Plan will review your appeal within a reasonable period of time appropriate to the medical circumstances and make a determination within 30 calendar days of Health Plan’s receipt of the appeal. For appeals involving the delay, denial or modification of health care services related to Medical Necessity, Health Plan’s written response will include the specific reason for the decision, describe the criteria or guidelines or benefit provision on which the denial decision was based, and notification that upon request the Member may obtain a copy of the actual benefit provision, guideline protocol or other similar criterion on which the denial is based. For determinations delaying, denying or modifying health care services based on a finding that the services are not Covered Services, the response will specify the provisions in this Combined Evidence Of Coverage and Disclosure Form that exclude that coverage.

Health Plan will acknowledge receipt of the grievance in writing for urgent issues on the day of receipt, and all routine grievances within five (5) calendar days of receipt. These deadlines do not apply to grievances that are received by telephone, by facsimile, or by email, that are not coverage disputes, disputed health care services involving medical necessity, or experimental or investigational treatment and that are resolved by the next business day.

If the grievance pertains to a Quality of Service issue, it may be investigated and resolved by the Health Plan in collaboration with any other involved departments. If the grievance pertains to a Quality of Care issue and is routine, the Health Plan transfers the information to the Medical Director. If the grievance pertains to a Quality of Care issue and is urgent, the Health Plan will promptly initiate the Expedited Review process.

Health Plan will provide a written statement on the determination of any grievance except for grievances that are received by telephone, by facsimile, or by email, that are not coverage disputes, disputed health care services involving medical necessity, or experimental or investigational treatment and that are resolved by the next business day. For an urgent grievance in which medical/clinical services are underway, Health Plan will notify the complainant and the Department within twenty-four (24) hours of the Health Plan's receipt of the grievance. For all other urgent grievances, Health Plan will notify the complainant and the Department within three (3) calendar days of the Health Plan's receipt of the grievance. For routine grievances, Health Plan will notify the complainant within five (5) calendar days of the Health Plan's receipt of the grievance.

Grievance forms and Health Plan’s grievance policies and procedures are available to Members upon request.
16.3 Expedited Review of Grievances

For Member grievances involving an imminent and serious threat to the health of the patient, including but not limited to, severe pain, potential loss of life, limb, or major bodily function, Health Plan shall immediately inform the Member, in writing, of the Member’s right to notify the Department, and to provide the Member and the Department written notice of the disposition or pending status of the grievance no later than three (3) calendar days from receipt of the grievances.

16.4 Independent Medical Review

In the event the Member is dissatisfied with the findings and decision of Health Plan, the Member is not required to further participate in Health Plan’s grievance process thirty (30) days after Health Plan’s receipt of the complaint. The Member may request an Independent Medical Review (IMR) of Disputed Health Care Services from the Department if the Member believes that health care services have been improperly denied, modified, or delayed by the Health Plan or one of its contracting providers. A “Disputed Health Care Service” is any health care service eligible for coverage and payment under the subscriber contract that has been denied, modified, or delayed by the Plan or one of its contracting providers, in whole or in part because the service is not Medically Necessary.

The IMR process is in addition to any other procedures or remedies that may be available to the Member. The Member pays no application or processing fees of any kind for IMR. The Member has the right to provide information in support of the request for IMR. The Plan must provide the Member with an IMR application form with any grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause the Member to forfeit any statutory right to pursue legal action against the plan regarding the Disputed Health Care Service.

For more information regarding the IMR process, or to request an application form, please call Health Plan’s Customer Services department at 1-800-428-6337; or write to OptumHealth Physical Health of California at P.O. Box 880009, San Diego, CA 92168-0009.

16.5 IMR for Experimental and Investigational Therapies

You may also have the right to an independent medical review through the Department if the Health Plan denies coverage for a requested service on the basis that it is experimental or investigational. Health Plan will notify you within 5 business days of its decision to deny an experimental/investigational therapy. You are not required to participate in the Health Plan’s grievance process prior to seeking an independent medical review of this decision.

The Independent Medical Review Organization will complete its review within 30 days of receipt of your application and supporting documentation. If your physician determines that the proposed therapy would be significantly less effective if not promptly initiated, the review will be completed within 7 days.

16.6 Implementation of IMR Decision

If the Member receives a decision by the Director of the Department that a Disputed Health Care Service is Medically Necessary, Health Plan will promptly implement the decision.

In the case of reimbursement for services already provided, Health Plan will reimburse the provider or Member within five (5) working days. In the case of services not yet provided, Health Plan will authorize the services within five (5) working days of receipt of the written decision from the Director or sooner, if appropriate for the nature of the Member’s medical condition, and will inform the Member and Provider of the authorization according to the requirements of Health and Safety Code Section 1367.01(h)(3).

16.7 Voluntary Mediation and Binding Arbitration

If you are dissatisfied with Health Plan’s Appeal Process determination, you can request that Health Plan submit the appeal to voluntary mediation or binding arbitration before JAMS.

Voluntary Mediation
In order to initiate voluntary mediation, either you or the agent acting on your behalf must submit a written request to Health Plan. If all parties mutually agree to mediation, the mediation will be administered by JAMS in accordance with the JAMS Mediation Rules and Procedures, unless all parties otherwise agree. Expenses for mediation will be shared equally by the parties. The Department of Managed Health Care will have no administrative or enforcement responsibilities with the voluntary mediation process.

**Binding Arbitration**

All disputes of any kind, including, but not limited to, claims relating to the delivery of services under the plan and claims for medical malpractice between the Member (including any heirs, successors or assigns of Member) and Health Plan, except for claims subject to ERISA, will be submitted to Binding Arbitration. Medical malpractice includes any issues or allegations that medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered. This means that disputes between the Member and Health Plan will not be resolved by a lawsuit or by pursuing other court processes and remedies, except to the extent the Federal Arbitration Act provides for judicial review of arbitration proceedings. Under this provision, neither the Court nor any arbitrator may delay arbitration of disputes or refuse to order disputes to arbitration. The intent of this arbitration provision, and the parties, is to put litigation on hold so that issues can be resolved through the binding arbitration process. Any disputes about the scope of arbitration, about the arbitration itself or about whether an issue falls under this arbitration provision will be resolved by the arbitrator to avoid ambiguities and litigation costs.

The Member and Health Plan understand and agree that they are giving up their constitutional rights to have disputes decided in a court of law before a jury and are instead accepting the use of Binding Arbitration by a single arbitrator. The arbitration will be performed by JAMS or another arbitration service as the parties may agree in writing. The arbitration will be conducted under the JAMS Comprehensive Arbitration Rules and Procedures. The parties will attempt in good faith to agree to the appointment of an arbitrator, but if agreement cannot be reached within 30 days following the date demand for arbitration is made, the arbitrator will be chosen using the appointment procedures set out in the JAMS Comprehensive Arbitration Rules and Procedures. These rules may be viewed by the Member at the JAMS Web site, www.jamsadr.com. If the Member does not have access to the internet, the Member may request a copy of the rules from Health Plan, and arrangements will be made for the Member to obtain a hard copy of the rules and procedures.

Arbitration hearings will be held in San Diego County, California or at a location agreed to in writing by the Member and Health Plan. The expenses of JAMS and the arbitrator will be paid in equal shares by the Member and Health Plan. Each party will be responsible for any expenses related to discovery conducted by them and their own attorney fees. In cases of extreme hardship, Health Plan may assume all or part of the Member's share of the fees and expenses of JAMS and the arbitrator, provided the Member submits a hardship application to JAMS and JAMS approves the application. The approval or denial of the hardship application will be determined solely by JAMS. The Member will remain responsible for their own attorney fees, unless an award of attorney fees is allowable under the law and the arbitrator makes an award of attorney fees to the Member. Following the arbitration, the arbitrator will prepare a written award that includes the legal and factual reasons for the decision.

Nothing in this Binding Arbitration provision is intended to prevent the Member or Health Plan from seeking a temporary restraining order or preliminary injunction or other provisional remedies from a court. However, any and all other claims or causes of action, including, but not limited to those seeking damages, restitution, or other monetary relief, will be subject to this Binding Arbitration provision. Any claim for permanent injunctive relief will be stayed pending completion of the arbitration. The Federal Arbitration Act, 9 U.S.C. Sections 1-16, will apply to the arbitration.

**ALL PARTIES EXPRESSLY AGREE TO WAIVE THEIR CONSTITUTIONAL RIGHT TO HAVE DISPUTES BETWEEN THEM RESOLVED IN COURT BEFORE A JURY AND ARE INSTEAD ACCEPTING THE USE OF BINDING ARBITRATION**

**16.8 Department Review**

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at (1-800-428-6337) or for TTY/TDD services call 1-888-877-5379 (voice), or 1-888-877-5378 (TTY) and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been
satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (1-888-HMO-2219) or (1-888-466-2219) and a TDD line (1-877-688-9891) for the hearing- and speech-impaired. The Department's Internet website http://www.hmohelp.ca.gov has complaint forms, IMR application forms and instructions online.
